

SR1-EDB-300VGL  
SR1-EDB-300VGL Glass Door Mounted Electric Drop Bolt Lock – with Door Position Status Output

**Description**

The GEM Fail-Safe series electric dropbolt can be mounted horizontally or vertically and provides various functions. It is designed for use on double action doors (or single inswing/outswing doors) and ideal for applications where an electromagnetic lock or electric strike is impractical.

- Fail-safe (Power to lock) Vandal resistant - The lock cannot be defeated by slipping a metal object between lock and the strike plate
- Built-in bolt status sensor and door position sensor
- Relock time delay
- Surface Mount

**Product Specifications**

Weight	1700 kg
Brand	GEM
Voltage	0.9A, 12 VDC
