

AC-ISOH-LFP  
AC-ISOH-LFP Composite Proximity Card With HiCo Magstripe – Custom Format Encoded

**Description**

Composite PVC+PET construction for high-specification card printing. Designed specifically for access control systems with a printable surface on both sides, the AC-ISOH-LFP card is the popular multi-technology choice for Access Control ID cards where proximity RFID is combined with a magnetic stripe allowing it to also be used for systems requiring magstripe technology. Card proximity is encoded with the custom format of your choice along with the card number printed on the reverse side at the lower right-hand corner. Magstripe is provided unencoded.
