

A-ISO-D4
Authenticard A-ISO-D4K ISO Thickness DESFire 4K Card

Description

Designed specifically for access control systems with a printable surface on both sides, the A-ISOH-D4 card is the popular multi-technology choice for Access Control ID cards where smart DESFire RFID is the chosen card technology for the access control system. The DESFire is encoded with the open format of your choice along with the card number printed on the reverse side at the lower right-hand corner.
