

AC-ISO-LFO
AC-ISO-LFO Composite PVC/PETG Proximity Card – Open Format Encoded

Description

Composite PVC+PET construction for high-specification card printing. Designed specifically for access control systems with a printable surface on both sides, the A-ISOH-LFO card is the popular multi-technology choice for Access Control ID cards where proximity is the chosen card technology. Card proximity is encoded with the open format of your choice along with the card number printed on the reverse side at the lower right-hand corner.
