

FER-8951

Fermax 8951 surface-mount back box for Fermax City Classic door panel 6201 & 6202

#### Description

For those cases where it is not desirable or possible to cut into the wall for the flush box (marble facades, stone facades etc.) a surface-mount box is the solution. With a depth of only 33mm its design integrates perfectly to the aesthetics of the panel.

**Product Specifications**

Weight	118 kg
