Biodegradable ID Card Holder Available In Multiple Colours

Description

The Biodegradable ID Card Holder is the perfect choice for those seeking a sustainable and stylish solution for displaying their ID badges. This eco-friendly holder provides excellent protection for your ID while minimising environmental impact. With its variety of colours and practical features, the Biodegradable ID Card Holder comes in packs of 100 and is a versatile and responsible option for various applications.

Key Features:

- **Biodegradable Material:** Made from eco-friendly plastic that decomposes naturally, reducing environmental footprint.
- **Landscape Orientation:** Fits standard ID cards perfectly in a horizontal layout.
- **Multiple Colour Options:** Available in a wide variety of colours to complement your branding or personal style.
- **Open-Faced Design:** Provides easy access to your ID badge for quick scanning or display.
- **Rigid Construction:** Offers reliable protection for your ID card against scratches, dust, and everyday wear.
- **Integrated Lanyard Bracket:** Includes a built-in attachment point for convenient lanyard or clip use.

Pack Size: 100
