

61123501
Javelin 61123501 – YMCKO Colour Ribbon For Direct-to-Card Printers (200 prints)

Description

The Javelin 61123501 YMCKO colour ribbon is the perfect choice for producing high-quality, full-colour plastic cards. With its excellent print quality, durability, and cost-effectiveness, this ribbon meets the demands of various card printing applications. Ensure professional and vibrant card prints with the reliable Javelin 61123501 ribbon.

Key Features:

- **200 Full-Colour Prints Per Roll:** Each ribbon offers 200 prints, making it an economical choice for your printing needs.
- **YMCKO Ribbon:** Consists of Yellow, Magenta, Cyan, Black, and Overlay panels to ensure vibrant, professional-quality prints.
- **Photo-Like Images:** Produces vivid and sharp images, perfect for ID cards, badges, and more.
- **Detailed Text and Barcodes:** Ensures clear and precise printing for easy readability and scanning.
- **Protective Overlay:** The clear overlay panel protects printed cards from everyday wear and tear, extending their lifespan.
