

COM-4893M
Comelit 4893M Door Entrance Panel with Call Buttons – Part Of The Quadra Range

Description

Quadra series wall-mounted external video-entry door panel with mechanical call button(s). PRODUCT CODE: 4893M

The Comelit 4893M door entry unit combines durability, clear vision, informative indicators, custom audio settings, and hassle-free installation. If you seek a reliable, feature-rich door entry solution, the Comelit 4893M is an excellent choice. Upgrade your security and communication with this remarkable unit.

- Die-cast aluminium faceplate for durability and corrosion resistance
- Wide-angle colour camera for a clear and comprehensive view of the visitor
- Single LED for night time illumination
- Indicator LEDs for call sent, lock-release activated, audio activated, and system busy
- Adjustable speaker volume and audio balance
- Powered by the bus line for easy installation and configuration

Note: The Quadra panel is designed to be part of a full system and so requires a connection to an inside monitor to function.
