

COM-6602W
Comelit 6602W Hands-Free Icona Monitor With Inductive Loop

Description

PRODUCT CODE: 6602W Colour monitor with audio induction loop, 4.3" / 16:9 touch screen and hands-free full-duplex audio. Introducing the Comelit 6602W, a 4.3"/16:9 hands-free colour monitor with an audio induction loop for hearing aid users. This Icona monitor boasts a touch screen and full-duplex audio, offering control over backlighting, contrast, audio, and ringtone volumes, and comes equipped with touch-sensitive capacitive buttons for lock-release, audio activation, and more, along with LEDs for door status. This device supports floor door call management, alarm inputs, and micro SD card functionality (SD card not included). It's customisable for ringtones, video memory, and absence messages. Plus, it works seamlessly on standard PoE systems.

- 4.3-inch touchscreen display
- Built-in induction loop for hearing aid users
- Privacy function
- 7 programmable buttons
- Hands-free audio
- Colour video
- Door lock release button
- Volume control
- Brightness control
- Wall mountable

**Installation requires a flush-mount box for plasterboard (p/n 6617), standard flush-mount box (p/n 6117) or surface-mount box (p/n 6120) that is not included with the Icona monitor.*
