

ANE-L7012L
Hanwha ANE-L7012L A-Series 4MP White Light Flateye Camera

Description

The Hanwha ANE-L7012L delivers exceptional image quality, intelligent features, and versatile functionality in a discreet and weatherproof design. This 4MP white light Flateye camera is ideal for various security applications, providing comprehensive monitoring capabilities and peace of mind.

Key Features:

- **Sharp clarity:** Capture high-resolution video (2560 x 1440) for clear identification of details.
- **Wide viewing angle:** See more with a 98.3° horizontal and 54.2° vertical field of view.
- **Smooth recording:** Enjoy smooth 30fps video at all resolutions (H.265/H.264).
- **Enhanced efficiency:** Benefit from H.265/H.264 and MJPEG triple codec options.
- **Clear in any light:** Achieve exceptional image quality with Wide Dynamic Range (WDR) even in challenging lighting conditions.
- **Intelligent detection:** Built-in analytics allow for virtual area and line intrusion detection, motion detection, and tampering alerts.
- **Expandable storage:** Micro SD/SDHC card slot accepts up to 32GB for local storage.
- **Power over Ethernet (PoE):** Simplifies installation with a single cable for both power and data.
- **Ideal for hallways:** Hallway view allows for efficient monitoring of narrow spaces with 90°, 180°, and 270° rotation options.
- **Weatherproof and impact-resistant:** Built to withstand harsh conditions with IP66 and IK10 ratings.
