Dahua SDT6C425-4P-GB-APV-0280 X-Spans 4MP 25x Smart Dual Light Network Panoramic PTZ Camera

Description

The Dahua SDT6C425-4P-GB-APV-0280 X-Spans 4MP 25x Smart Dual Light Network Panoramic PTZ Camera offers a feature-rich security solution with a panoramic view, powerful zoom, and intelligent functionalities like auto-tracking, perimeter protection, face detection, and active deterrence. With exceptional night vision and a weatherproof design, this camera is ideal for diverse security applications demanding comprehensive monitoring and the ability to identify details at a distance.

Key Features:

- **Exceptional Panoramic View:** Capture a wide field of view with the high-performance 4MP (2560 x 1440) STARVIS™ CMOS sensor, ideal for monitoring expansive areas without blind spots.
- **Powerful 25x Optical Zoom:** Gain a closer look at distant objects with the 25x zoom capability, allowing for clear identification of crucial details.
- **Superior Night Vision:** Experience exceptional clarity even in complete darkness with Starlight technology and IR illuminators effective up to 200 meters.
- **Max. 25/30fps@4MP:** Capture smooth and fluid video footage at up to 30 frames per second at 4MP resolution, ensuring you don't miss any critical moments.
