

DH-ARA13-W2(868B)

Dahua ARA13-W2(868) AirShield Wireless Outdoor Siren – Blue

Description

The Dahua ARA13-W2(868) AirShield Wireless Outdoor Siren is a valuable addition to any home or business security system requiring outdoor protection. This wireless siren offers convenient installation, a powerful alarm for deterrence, and reliable performance in various weather conditions. With its durability, multiple features, and ease of use, this outdoor siren provides an extra layer of security and peace of mind.

Key Features:

- **Wireless Connectivity:** Offers a convenient installation process without complex wiring for flexible placement outdoors.
- **Loud Alarm (110 dB):** Emits a powerful sound to effectively deter intruders and alert your neighbourhood during an alarm.
- **Durable Design (IP65 Rated):** Built to withstand harsh weather conditions, including rain, dust, and extreme temperatures (-25 °C to +60 °C).
- **Multiple Alarm Sounds:** Provides various siren tones (fire, medical, intrusion, panic, etc.) for specific alerts.
- **Dual Power Supply:** Operates on either 12 VDC power or battery power for flexible installation.
- **Temperature Monitoring:** Monitors its operating temperature for optimal performance and potential maintenance needs.
- **Frequency Hopping and Two-Way Communication:** Ensures secure and reliable communication between the siren and the alarm hub.
- **Cloud Updates and Automatic Recovery:** Benefits from automatic firmware updates through the cloud and automatic recovery from failed updates for a smooth user experience.

Product Specifications
