

DH-SD3E405DB-GNY-A-PV1
Dahua SD3E405DB-GNY-A-PV1 4MP Network PTZ Camera With TiOC And 5x Optical Zoom

Description

The Dahua SD3E405DB-GNY-A-PV1 4MP Network PTZ Camera With TiOC And 5x Optical Zoom and WizSense AI technology, represents a powerful security solution. This feature-rich camera offers exceptional video quality, intelligent object classification, active deterrence, and a range of enhanced functionalities to meet various security needs. With its AI capabilities, versatility, and robust design, the Dahua SD3E405DB-GNY-A-PV1 is a compelling choice for those seeking a smarter and more effective security solution.

Key Features:

- **5x Optical Zoom:** Provides exceptional close-up detail for magnified viewing of distant objects or specific areas of interest.
- **Max. 25/30fps@4MP:** Delivers smooth and fluid video footage for clear observation and playback.
- **IR Distance up to 50m and Warm Light Illumination up to 30m:** Offers clear night vision in low-light or complete darkness.
- **Perimeter Protection:** Allows for the creation of virtual tripwires that trigger alarms when crossed, enhancing perimeter security.
- **Face Detection:** Provides an additional layer of security by identifying human faces within the camera's view.
- **Two-Way Talk:** Built-in microphone and speaker enable real-time communication for interacting with visitors or issuing warnings.
- **IP66 Weatherproof Rating:** Ensures reliable operation in outdoor environments, withstanding dust and water ingress.
- **12 VDC/PoE Power Supply:** Offers flexible power options for convenient installation.

Product Specifications

Weight	2100 kg
Brand	Dahua Technology
Form-factor	PTZ (Pan Tilt Zoom)
Lens	2.7 - 13.5mm Varifocal
Lens-type	Varifocal
Resolution	4MP
Colours	White
Series	WizSense
Protection-rating	IP66, TVS 6000 V
Camera-type	Network (IP)
Product-range	SD3E
