Comelit-PAC PAC-CD-FB-OPSC-CLP – Pack of 10 DESFire EV1 OPS Fobs

Description

The Comelit-PAC PAC-CD-FB-OPSC-CLP Grey OPS Fobs provide a reliable and secure solution for access control. With their advanced encryption, durable design, and broad compatibility, these fobs are ideal for various applications. Whether you need to equip a small office or a large facility, the Comelit-PAC Grey OPS Fobs offer a cost-effective and user-friendly way to enhance your security measures.

Key Features:

- **Pack of 10:** Provides a cost-effective solution for equipping multiple users.
- **Advanced Encryption:** AES 128-bit encryption ensures secure data transmission and protects against credential cloning.
- **Universal Compatibility:** Works with PAC HF and MT readers, as well as Architect readers, for broad system integration.
- **Unique ID Code:** Each fob has a unique identifier for secure access control.
- **Durable Construction:** Fully encapsulated in ABS plastic for long-lasting performance in various environments.
- **Metal Eyelet:** Allows for easy attachment to a key ring or badge clip.
- **Lifetime Warranty:** Ensures peace of mind with guaranteed performance against electronic failure.
