STID-ARCS-D/BT-VP STid ARCS-D/BT - Advanced Biometric, Bluetooth and DESFire Access Control Reader

Description

The STid ARCS-D/BT - Advanced Biometric, Bluetooth and DESFire Access Control Reader is a state-of-the-art access control reader that combines biometric fingerprint recognition with MIFARE DESFire EV3 RFID technology, offering a robust and secure solution for various applications. This reader is designed to enhance your access control system with its advanced features and customisable options.

Key Features:

- Multi-Factor Authentication: Enhances security by requiring both biometric and 13.56 MHz DESFire verification.
- MIFARE DESFire EV3 Compatibility: Supports advanced encryption and data storage for secure access management.
- Advanced Fingerprint Recognition: Accurate and reliable fingerprint verification with protection against fraud attempts.
- Bluetooth Functionality: Enables hands-free access.
- Versatile Communication Options: Supports multiple communication protocols (TTL, Wiegand, RS485, OSDP) for seamless integration.
- Customisable Options: Choose from different models with varying features and communication protocols to meet your specific needs.

Please Choose From The Following Models:

Product Specifications

Weight	kg
Brand	STid
Device-type	Biometric (Fingerprint Reader), Reader
Reader-and-card-technology	Biometric (Fingerprint), Bluetooth, DESFire
Operating-temperature	-10°C to 50°C
Power-requirement	7-28 VDC
Construction	ABS
Frequency	13.56 MHz, Bluetooth, NFC
Mounting	Surface Mount
Protection-rating	IP65
Reader-mode	Controlled by Protocol (Read Write), Read Only, Secure + Read
Versions	OSDP v1 & v2 RS485, Secure - RS485, Secure - TTL, Secure / EasySecure interface - RS485, Secure / Secure Plus - RS485, Secure / Secure Plus - TTL, Secure / Secure Plus / EasySecure interface - RS485, SSCP v1 RS485, SSCP v2 RS485
