AV-03BD-VP BAS-IP AV-03BD - Video Entrance Panel In Silver of Black

Description

The BAS-IP AV-03BD video entrance panel offers a stylish and reliable solution for access control. With its advanced features, durable construction, and easy installation, this panel is ideal for businesses and residential properties seeking to enhance security and convenience. Key Features:

- Stylish Design: Available in black or silver to complement various styles.
- High-Quality Construction: Durable and hard wearing ABS for long-lasting performance.
- Advanced Video Features: 2.0 MP resolution, 720p output, and night backlight for clear visibility in all lighting conditions.
- Multi-Platform Compatibility: Supports BAS-IP UKEY mobile access for added convenience.
- Flexible Access Options: Allows for access via monitor, QR code, guest link, access card, BAS-IP Intercom app, or BAS-IP UKEY app.
- Integrated Access Control: Supports UKEY technology for seamless integration with access control systems.
- Wide Range of Identifier Support: Compatible with various RFID and Bluetooth technologies.
- Customisable Settings: Configure ringtones, language, and other settings to suit your preferences.
