KFS-J60
Knight Fire & Security J60: Grade 3 8-Way Conduit Junction Box

Description

The Knight Fire J60 is a high-quality Grade 3 conduit junction box, designed to provide a secure and reliable connection for your security system. Its rugged construction and versatile design make it ideal for various applications.

Key Features:

- **Grade 3 Security:** Meets the highest industry standards for security and reliability.
- **8-Way Capacity:** Accommodates up to 8 connections.
- **Hinged Lid:** Easy access to terminals.
- **Robust Construction:** High-impact resistant polypropylene material.
- **Versatile Mounting:** Ribbed design for easy installation on conduit, grommets, and armoured sleeving.
- **Tamper-Proof Design:** Detects and alerts you to any attempts to tamper with the device.
- **Wide Temperature Range:** Operates reliably in extreme temperatures.
