

INT-25-0004

Intratone 25-0004 – Prepaid Video Communications (15 Years Unlimited Data) for 1-User

Description

The Intratone 25-0004 provides a comprehensive prepaid video communication package designed for a single user. This service plan offers 15 years of unlimited data, ensuring long-term, reliable communication between residents and the intercom system.

Key Features:

- **Unlimited Data for 15 Years:** Enjoy uninterrupted video communication for 15 years with no recurring fees.
- **Enhanced Security:** Monitor your property remotely and screen visitors using video calls.
- **Improved Convenience:** Communicate with residents from anywhere using the My Intratone Intercom or Intratone Pro apps.
- **Management Portal Access:** Manage your intercom system settings and access technical support through the www.intratone.info portal.
- **Equipment Updates:** Receive automatic software updates to ensure optimal system performance.
