

KFS-J40-VP  
Knight Fire & Security J40 – 7-Way Junction Box in White or Brown (Grade 2)

**Description**

The Knight Fire & Security J40 is a Grade 2 7-way junction box, designed for secure and reliable wiring connections in intruder alarm systems. Featuring 5 main terminals plus 2 additional terminals, it offers versatile wiring options. Built from high-impact HIPS material, it ensures durability and long-term performance. The leaf tamper switch provides added security, while multiple access points allow for easy installation. Available in white (J40) and brown (J40B).
