

CQR-CABS8/WH/LSF/100  
CQR CABS8/WH/LSF/100 – 100m High-Performance 8 Core Screened LSF Cable (White)

### Description

The CABS8/WH/LSF/100 is a premium-grade 8 core screened Low Smoke and Fume (LSF) cable from CQR, designed to set industry standards for intruder alarm installations. This cable provides exceptional performance, low resistance, and ease of installation, making it ideal for demanding security applications.

### Key Features:

- **8 Cores:** CABS8/WH/LSF/100 Provides ample conductors for complex security systems.
- **Screened Design:** Minimises interference and ensures reliable signal transmission.
- **LSF Sheathing:** Low Smoke and Fume sheathing for enhanced safety in case of fire.
- **Tinned Copper Conductors:** Offers excellent conductivity and corrosion resistance.
- **100 Meter Spool:** Provides ample cable for large installations.
- **Type 2 Compliance:** Meets industry standards for intruder alarm cables.
- **Multi-Strand Cores:** Offers flexibility and durability during installation.
- **Color-Coded Insulation:** Simplifies wiring and identification.

**Product Specifications**

Weight	kg
Brand	CQR
Euro-class	Eca
Number-of-cores	8
Sheathing	LSF
Screened	Yes
Cable-length	100m
Cable-type	Shielded
